

Drawers are the ideal option when you need controlled access to small consumable items or high cost MRO tooling. The Seaga Sentinel Drawer cabinets provide you with secure 24/7 access to essential items at their point of use. Spend less time searching for products and more time getting work done.

IQ6DR

IIC SENTINEL 6 DRAWER

Designed with three drawer depths and each drawer can be variably partitioned for maximum flexibility.

IQ8DR

IIC SENTINEL 8 DRAWER

Eight drawers of equal depth to optimize capacity in a space friendly footprint. Each drawer can be variably partitioned for maximum flexibility.

Our high-quality specifications and variety of individual configuration options make the Seaga Sentinel cabinets ideal for a wide variety of requirements and environments.
